

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

The Harvard Drug Group, LLC d/b/a Major® Pharmaceuticals and Rugby® Laboratories would like to inform you of a product recall for Guaifenesin Dextromethorphan Syrup, 200 mg/20 mg per 10 mL and Guaifenesin Dextromethorphan Syrup, 100 mg/10 mg per 5 mL. This recall has been initiated due to an out of specification result obtained during Propylparaben testing as part of the routine stability program. Shipping of this product began on March 1, 2023. This recall should be carried out to the retail level.
