

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Novartis Pharmaceuticals Corporation is recalling three lots (ME2713, MF8286, ML1860) of Votrient® 200mg Film Coated Tablets. These lots are being recalled due to out of specification results for dissolution obtained during retain sample testing. The Medical Risk Assessment has concluded that there is no identified potential for adverse health consequences.

Product Name	Lot Number	Expiration Date	Date of Manufacture	NDC Number	Distribution Dates
