

The Board of Pharmacy has received notice of the following product recall:

**Product Name: SENS+EPI SDV MPF.5%30MLFRE25**

**NDC: 63323046237**

**UPC: 36332346237**

**Lot #: 6123760**

**Exp Date: 02/28/2022**

Fresenius Kabi - # 1658 is initiating a voluntary recall of the above items/lots based upon out of specification results for epinephrine assay at the 8-month stability test station. Affected products started shipping July 27, 2020.

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
