

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Levothyroxine Sodium Tablets USP 75 mcg (0.075 mg) -1000 count

Lupin Pharmaceuticals, Inc. is initiating a **voluntary recall** of lot **LA01276**, Expiry: July 2026 of **Levothyroxine Sodium Tablets USP 75 mcg (0.075 mg) -1000 count**.

This lot is being recalled due to an out of specification (“OOS”) result observed in the drug substance for impurity test during 3-month long term stability study. It is noteworthy that the lot LA01276 met the established specifications for all tests.

The likelihood of any health hazard due to slight increase of identified impurity is unlikely.

Only 480 bottles of the recalled lot were distributed to one wholesaler/ distributor in November 2024.

| Strength | Lot | Expiry | NDC | Description |
|----------------------|------------|---------------|--------------|---|
| 75 mcg (0.075 mg) | LA01276 | July, 2026 | 68180-967-03 | Round, Violet colored tablets debossed with “L17” on one side and break-line on the other side. |
