Subject: Withdrawal of stock for Venlafaxine Tablets, USP 37.5 mg (Batch No.: 1705006608)

Alembic Pharmaceuticals, Inc. is withdrawing the distributed quantity of the below batch from distributors and pharmacies. While the generic name and strength and NDC number is for Venlafaxine 37.5mg (in line with the product contents in the bottle), the label claim reads as "Each uncoated tablet contains venlafaxine hydrochloride, USP equivalent to 100 mg of Venlafaxine" instead of "Each uncoated tablet contains venlafaxine hydrochloride, USP equivalent to 37.5 mg of Venlafaxine".

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
