Subject: Product Recall - American Health Packaging

American Health Packaging, Inc. is initiating a drug recall to the pharmacy level for GlipiZIDE Extended Release Tablets 2.5 mg, 30 count Unit Dose Blisters, Carton NDC# 68084-295-21 (Individual Dose NDC# 68084-295-11) for the lots listed below:

Product Description	AHP Lot No.	Expiration Date	Ship Dates of Product
GlipiZIDE Extended Release Tablets, 2.5 mg, 30 count Unit Dose blisters NDC: 68084-295-21 Carton 68084-295-11 Unit Dose	160133	8/31/2017	2/12/2016 to 3/24/2016
	160549	8/31/2017	2/15/2016 to 6/2/2016
	162006	9/30/2017	4/25/2016 to 7/28/2016
	163348A	10/31/2017	8/2/2016 to 8/25/2016
	163348B	10/31/2017	8/15/2016 to 9/1/2016

This is a sub-recall to support Actavis, the manufacturer's recall dated January 30, 2017 which included lots that were repackaged by American Health Packaging. The drug release results were slightly above specification at one time point.

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
