

The Board of Pharmacy has received notice of the following product recall:

Epic Pharma is recalling **Estradiol Tablets USP, 0.5 mg, 100-count bottles, NDC #42806-087-01, Lot #I9094A, Expiration: May 2021**. This recall is to the retail level. This recall has been initiated due to customer complaints stating a single tablet of Estradiol 1 mg was found in a 100-count bottle of Estradiol Tablets USP, 0.5 mg, Lot #19094A. Based upon a conducted Health Hazard Assessment, consumption of the 1 mg Estradiol tablet is unlikely to affect the safety or efficacy of the subject (0.5 mg Estradiol) product.

Epic shipped this product on 07/17/19 and 07/29/19.

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
