Subject: Recall notice - Hospira, Inc.

Hospira, Inc., a Pfizer company, is recalling the below referenced lot of Deferoxamine Mesylate for Injection, USP. Hospira initiated this recall because product from this lot was determined to be out of specification for color. The recall is being conducted to the Hospital/Retail level.

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.

NDC	Lot #	Expiration Date	Strength	Configuration/Count
0409-2336-10	51275DD	1SEP2017	500 mg	Carton containing 4 vials
