Subject: Product Recall - Janssen Pharmaceuticals

Janssen Pharmaceuticals, Inc. is initiating a recall on one lot of Invokamet (150mg canagliflozin/1000mg metformin hydrochloride) tablets listed below because a limited number of units have a Xarelto (rivaroxaban) prescribing information outsert affixed to the product container instead of Invokamet outsert. The recall is to the pharmacy level. Product was initially distributed in August 2016, no impact to supply of Invokamet is expected. Product shipped August 23, 2016 and August 30, 2016.

Invokamet 150mg/1000mg, 60 count
NDC: 50458-543-60
Lot# 16GG581X
Expiration: 30 September 2017

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
