

The Board of Pharmacy has received notice of the following product recall:

NDC	Manufacturer	Product Description	Lot/Batch	Expiration Date
33342-111-10	Macleods Pharmaceuticals Limited	Montelukast Sodium Chewable Tablets 5 mg (90's count)	BMD8901B	02/2021

Macleods Pharmaceuticals Limited is initiating a retailer/pharmacy level recall of Montelukast Sodium Chewable Tablets 5 mg (90's container – NDC No. 33342-111-10). This recall is based upon Macleods determination of out-of-specification results reported in dissolution test during stability study in batch BMD8901B. On the basis of medical and professional review, adverse safety or health hazard concerns are possible. The batch was distributed during the period of May 13, 2019 through May 24, 2019.

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
