**Cc:** Pharmacy\_Subscriberlist@DCA  
**Subject:** Recall notice - Teva

Teva is recalling the item/lot below due to an incorrect description printed on the blister foil and package insert, stating "Tablets in week 4 are inactive." However, each blister foil unit contains 28 active tablets. This recall is to the pharmacy level. Affected product started shipping October 02, 2017.

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
