**Subject:** Product Recall - Teva Pharmaceuticals USA

Teva Pharmaceuticals USA, Inc. is recalling the lot of **Linezolid Injection 600 mg/300 mL** below distributed under the Teva Pharmaceuticals label. This recall is being carried out to the pharmacy level due to the potential for leaking bags. A review of all adverse event reports involving the affected lot of linezolid concluded that the discovery of leaking linezolid infusion bags does not present a risk to patients and the risk of patient exposure to leaking infusion bags of linezolid is highly remote.
