**Subject:** Recall notice - X-GEN PHARMACEUTICALS INC

**Ibuprofen Lysine Injection, 20 mg/2mL vial x 3, Lot Number PLND1613 (exp. 2/28/2018), NDC Number 39822-1030-2** is being recalled to the user level with the knowledge of the US Food & Drug Administration. We request that you initiate your recall procedures for product you distributed to your customers. Please examine your stock immediately to determine if you have **Ibuprofen Lysine Injection, 20 mg/2mL vial x 3, Lot Number PLND1613 (exp. 2/28/2018), NDC Number 39822-1030-2**, on hand. If so, immediately discontinue dispensing and/or distributing it.

Please immediately check your inventory, quarantine, discontinue distribution of the affected product, and contact your wholesaler for directions.
