8 probation. Any period(s) of delinquency in the submission of reports as directed may be added to
9 the total period of probation. Moreover, if the final probation report is not made as directed,

28 ///

1 **6. Reporting of Employment and Notice to Employers**

2 During the period of probation, Respondent shall notify all present and prospective
3 employers of the decision in case number 7042 and the terms, conditions, and restrictions
4 imposed on Respondent by the decision, as follows:

5 Within thirty (30) days of the effective date of this decision, and within ten (10) days of
6 undertaking any new employment, Respondent shall report to the Board in writing the name,
7 physical address, and mailing address of each of his employer(s), and the name(s) and telephone
8 number(s) of all of his direct supervisor(s), as well as any pharmacist(s)-in- charge, designated

16 Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of
17 Respondent undertaking any new employment, Respondent shall cause (a) his direct supervisor,
18 (b) his pharmacist-in-charge, designated representative-in-charge, responsible manager, or other
19 compliance supervisor, and (c) the owner or owner representative of his employer, to report to the
20 Board in writing acknowledging that the listed individual(s) has/have read the decision in case
21 number 7042, and terms and conditions imposed thereby. If one person serves in more than one
22 role described in (a), (b), or (c), the acknowledgment shall so state. It shall be the Respondent's
23 responsibility to ensure that these acknowledgment(s) are timely submitted to the Board. In the
24 event of a change in the person(s) serving the role(s) described in (a), (b), or (c) during the term
25 of probation, Respondent shall cause the person(s) taking over the role(s) to report to the Board in
26 writing within fifteen (15) days of the change acknowledging that he or she has read the decision
27 in case number 7042, and the terms and conditions imposed thereby.

28 ///

1 If Respondent works for or is employed by or through an employment service, Respondent
2 must notify the person(s) described in (a), (b), and (c) above at every entity licensed by the Board
3 of the decision in case number 7042, and the terms and conditions imposed thereby in advance of
4 Respondent commencing work at such licensed entity. A record of this notification must be
5 provided to the Board upon request.

6 Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen
7 (15) days of Respondent undertaking any new employment by or through an employment service,
8 Respondent shall cause the person(s) described in (a), (b), and (c) above at the employment
9 service to report to the Board in writing acknowledging that he or she has read the decision in
10 case number 7042, and the terms and conditions imposed thereby. It shall be Respondent's
11 responsibility to ensure that these acknowledgment(s) are timely submitted to the Board.

12 Failure to timely notify present or prospective employer(s) or failure to cause the identified
13 person(s) with that/those employer(s) to submit timely written acknowledgments to the Board
14 shall be considered a violation of probation.

15 "Employment" within the meaning of this provision includes any full-time, part-time,
16 temporary, relief, or employment/management service position as a Pharmacist or any position
17 for which a Pharmacist is a requirement or criterion for employment, whether the Respondent is
18 an employee, independent contractor or volunteer.

19 **7. Notification of Change(s) in Name, Address(es), or Phone Number(s)**

20 Respondent shall further notify the Board in writing within ten (10) days of any change in
21 name, residence address, mailing address, e-mail address or phone number.

22 Failure to timely notify the Board of any change in employer, name, address, or phone
23 number shall be considered a violation of probation.

24 **8. Restrictions on Supervision and Oversight of Licensed Facilities**

25 During the period of probation, Respondent shall not supervise any intern pharmacist or
26 serve as a consultant to any entity licensed by the Board. Respondent may be a pharmacist-in-
27 charge, designated representative-in-charge, responsible manager or other compliance supervisor
28 of any single entity licensed by the Board, but only if Respondent or that entity retains, at their

own expense, an independent consultant who shall be responsible for reviewing the operations of the entity on a frequency basis to be determined by the Board or its designee for compliance by Respondent and the entity with state and federal laws and regulations governing the practice of the entity, and compliance by Respondent with the obligations of his supervisory position. Respondent may serve in such a position at only one entity licensed by the Board, only upon approval by the Board or its designee. Any such approval shall be site specific. The consultant shall be a pharmacist licensed by and not on probation with the Board, who has been approved by the Board or its designee to serve in this position. Respondent shall submit the name of the proposed consultant to the Board or its designee for approval within thirty (30) days of the effective date of the decision or prior to assumption of duties allowed in this term. Assumption of any unauthorized supervision responsibilities shall be considered a violation of probation. In addition, failure to timely seek approval for, timely retain, or ensure timely reporting by the consultant shall be considered a violation of probation.

9. Reimbursement of Board Costs

As a condition precedent to successful completion of probation, Respondent shall be jointly and severally responsible with Respondent Scriptsrus Corp. dba Scriptsrus Pharmacy, Roland Israel, to pay to the Board its costs of investigation and prosecution in the amount of \$15,513.51. Respondent shall make said payments monthly to commence within thirty (30) days of the effective date of this Decision pursuant to the following terms:

There shall be no deviation from this schedule absent prior written approval by the Board or its designee. Failure to pay costs by the deadline(s) as directed shall be considered a violation of probation.

Respondent shall be permitted to pay these costs in a payment plan approved by the Board or its designee, so long as full payment is completed no later than three (3) years prior to the end date of probation.

10. Probation Monitoring Costs

Respondent shall pay any costs associated with probation monitoring as determined by the Board each and every year of probation. Such costs shall be payable to the Board on a schedule

1 as directed by the Board or its designee. Failure to pay such costs by the deadline(s) as directed
2 shall be considered a violation of probation.

3 **11. Status of License**

4 Respondent shall, at all times while on probation, maintain an active, current Pharmacist
5 License with the Board, including any period during which suspension or probation is tolled.
6 Failure to maintain an active, current Pharmacist License shall be considered a violation of
7 probation.

8 If Respondent's Pharmacist License expires or is cancelled by operation of law or otherwise
9 at any time during the period of probation, including any extensions thereof due to tolling or
10 otherwise, upon renewal or reapplication Respondent's Pharmacist License shall be subject to all
11 terms and conditions of this probation not previously satisfied.

12 **12. License Surrender While on Probation/Suspension**

13 Following the effective date of this decision, should Respondent cease practice due to
14 retirement or health, or be otherwise unable to satisfy the terms and conditions of probation,
15 Respondent may relinquish his Pharmacist License, including any indicia of licensure issued by
16 the Board, along with a request to surrender the license. The Board or its designee shall have the
17 discretion whether to accept the surrender or take any other action it deems appropriate and
18 reasonable. Upon formal acceptance of the surrender of the license, Respondent will no longer be
19 subject to the terms and conditions of probation. This surrender constitutes a record of discipline
20 and shall become a part of the Respondent's license history with the Board.

21 Upon acceptance of the surrender, Respondent shall relinquish his pocket and/or wall
22 license, including any indicia of licensure not previously provided to the Board, within ten (10)
23 days of notification by the Board that the surrender is accepted if not already provided.
24 Respondent may not reapply for any license from the Board for three (3) years from the effective
25 date of the surrender. Respondent shall meet all requirements applicable to the license sought as
26 of the date the application for that license is submitted to the Board, including any outstanding
27 costs.

28 ///

1 **13. Practice Requirement – Extension of Probation**

2 Except during periods of suspension, Respondent shall, at all times while on probation, be
3 employed as a Pharmacist in California for a minimum of 80 hours per calendar month. Any
4 month during which this minimum is not met shall extend the period of probation by one month.
5 During any such period of insufficient employment, Respondent must nonetheless comply with
6 all terms and conditions of probation, unless Respondent receives a waiver in writing from the
7 Board or its designee.

8 If Respondent does not practice as a Pharmacist in California for the minimum number of
9 hours in any calendar month, for any reason (including vacation), Respondent shall notify the
10 Board in writing within ten (10) days of the conclusion of that calendar month. This notification
11 shall include at least: the date(s), location(s), and hours of last practice; the reason(s) for the
12 interruption or reduction in practice; and the anticipated date(s) on which Respondent will resume
13 practice at the required level. Respondent shall further notify the Board in writing within ten (10)
14 days following the next calendar month during which Respondent practices as a Pharmacist in
15 California for a minimum of 80 hours. Any failure to timely provide such notification(s) shall be
16 considered a violation of probation.

17 It is a violation of probation for Respondent's probation to be extended pursuant to the
18 provisions of this condition for a total period, counting consecutive and non-consecutive months,
19 exceeding thirty-six (36) months. The Board or its designee may post a notice of the extended
20 probation period on its website.

21 **14. Violation of Probation**

22 If Respondent has not complied with any term or condition of probation, the Board shall
23 have continuing jurisdiction over Respondent, and the Board shall provide notice to Respondent
24 that probation shall automatically be extended, until all terms and conditions have been satisfied
25 or the Board has taken other action as deemed appropriate to treat the failure to comply as a
26 violation of probation, to terminate probation, and to impose the penalty that was stayed. The
27 Board or its designee may post a notice of the extended probation period on its website.

28 ///

1 If Respondent violates probation in any respect, the Board, after giving Respondent notice
2 and an opportunity to be heard, may revoke probation and carry out the disciplinary order that
3 was stayed. If a petition to revoke probation or an accusation is filed against Respondent during
4 probation, or the preparation of an accusation or petition to revoke probation is requested from
5 the Office of the Attorney General, the Board shall have continuing jurisdiction and the period of
6 probation shall be automatically extended until the petition to revoke probation or accusation is
7 heard and decided, and the charges and allegations in Accusation No. 7042 shall be deemed true
8 and correct.

9 **15. Remedial Education**

10 Within sixty (60) days of the effective date of this decision, Respondent shall submit to the
11 Board or its designee, for prior approval, an appropriate program of remedial education related to
12 the underlying violations charged in the accusation. The program of remedial education shall
13 consist of at least six (6) hours per year of probation, which shall be completed at Respondent's
14 own expense. The first year of remedial education must include completion of the Board's
15 Prescription Drug Abuse Prevention Training. All of the total hours must be live webinar/in-
16 person training. All remedial education shall be in addition to, and shall not be credited towards,
17 continuing education (CE) courses used for license renewal purposes for pharmacists.

18 Failure to timely submit for approval or complete the approved remedial education shall be
19 considered a violation of probation. The period of probation will be automatically extended until
20 such remedial education is successfully completed and written proof, in a form acceptable to the
21 Board, is provided to the Board or its designee.

22 Following the completion of each course, the Board or its designee may require the
23 Respondent, at his own expense, to take an approved examination to the Respondent's knowledge
24 of the course. If Respondent does not achieve a passing score on the examination, that course
25 shall not count towards satisfaction of this term, and Respondent shall take another course
26 approved by the Board in the same subject area.

except that the propriety of the action is subject to review by the superior court pursuant to Section 1094.5 of the Code of Civil Procedure.

The expiration, cancellation, forfeiture, or suspension of a board-issued license by operation of law or by order or decision of the board or a court of law, the placement of a license on a retired status, or the voluntary surrender of a license by a licensee shall not deprive the board of jurisdiction to commence or proceed with any investigation of, or action or disciplinary proceeding against, the licensee or to render a decision suspending or revoking the license.

8. Section 4302 of the Code states:

The board may deny, suspend, or revoke any license where conditions exist in relation to any person holding 10 percent or more of the ownership interest or where conditions exist in relation to any officer, director, or other person with management or control of the license that would constitute grounds for disciplinary action against a licensee.

(1) Where a probationary license is issued or where an existing license is placed on probation, this prohibition shall remain in effect for a period not to exceed five years.

(2) Where the license is denied or revoked, the prohibition shall continue until the license is issued or reinstated.

(b) "Manager, administrator, owner, member, officer, director, associate, partner, or any other person with management or control of a license" as used in this section and Section 4308, may refer to a pharmacist or to any other person who serves in such capacity in or for a licensee.

(c) The provisions of subdivision (a) may be alleged in any pleading filed pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of the

Government Code. However, no order may be issued in that case except as to a person who is named in the caption, as to whom the pleading alleges the applicability of this section, and where the person has been given notice of the proceeding as required by Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of the Government Code. The authority to proceed as provided by this subdivision shall be in addition to the board's authority to proceed under Section 4339 or any other provision of law.

1 **FACTUAL ALLEGATIONS**

2 22. On May 1, 2020, a Board Inspector emailed Respondent Israel a request for pharmacy
3 records and original prescriptions for Respondent Scriptsrus. Subsequently, the Inspector received
4 Respondent Scriptsrus' dispensing records for April 30, 2017 through April 30, 2020, and copies
5 of prescription documents instead of originals. On June 10, 2020, the Inspector received the original
6 prescriptions, after a second request, and unsolicited documents not previously provided.

7 **Doctors MB, DB, and JK**

8 23. The Board's investigation revealed that from June 29, 2017 through March 1, 2019,
9 Respondent Scriptsrus and Respondent Israel (collectively Respondents) dispensed 63 controlled
10 substance prescriptions from prescribers Dr. MB, Dr. DB, and Dr. JK on invalid security
11 prescription forms for Alprazolam, Amphetamine Salts, and Oxycodone classified as Schedule IV
12 controlled substances and Promethazine/Codeine classified as a Schedule V controlled substance,
13 which were missing required features described as follows, but not limited to:

- 14 (a) Prescription documents were missing a watermark printed on the backside of the
15 prescription, which reads: "California Security Prescription."
16 (b) Repeat sequential form numbers were used on some prescriptions.
17 (c) Dr. MB's prescriptions lacked a valid DEA number.

18 24. These prescriptions had enough red flags of illegitimacy to be recognized as the illegal
19 distribution of controlled substances for diversion and abuse.

20 25. The Board's investigation also revealed that Respondents failed to exercise their
21 corresponding responsibility from April 30, 2017 through April 30, 2020, as to 89 prescriptions of
22 Alprazolam 2mg for 7,620 doses, 99 prescriptions of Amphetamine Salts 30 mg for 8,400 doses,
23 154 prescriptions of Oxycodone 30 mg for 14,880 doses, and 15 prescriptions of
24 Promethazine/Codeine (5ml/dose) for 1,232 doses for a total number of 357 prescriptions and
25 37,063 total number of doses as described below.

26 26. Specifically, Respondents dispensed 63 controlled substance prescriptions from Dr.
27 MB, Dr. DB, and Dr. JK after ignoring or failing to recognize multiple objective factors which

28 ///

showed the prescriptions were irregular and not medically legitimate prescriptions. The objective factors of illegitimacy, irregularity and abuse include, but were not limited to the following:

(a) Long distances traveled from patient homes in Van Nuys to prescribers Dr. MB's office in Santa Ana and Dr. DB's office in West Hollywood.

(b) Patients had appointments on the same day with prescribers in different cities.

(c) Patients issued the same prescriptions on the same day at different offices.

(d) Initial prescriptions were written for high starting doses described below:

i. 07/09/2018 for Oxycodone 30 mg, RX 106466, by Dr. DB, to patient NS.

ii. 10/03/2018 for Alprazolam 2 mg, RX 107321, by Dr. MB, to patient NS.

iii. 08/06/2018 for Oxycodone 30 mg, RX 106725, by Dr. DB, to patient RS.

27. Also, prescribers Dr. MB, Dr. DB, and Dr. JK only prescribed the highest strength of controlled substances¹ described below:

PREScriBER	DRUG	NUMBER OF RXs	TOTAL QUANTITY
MB	Alprazolam 2 mg	14	840
	Amphetamine Salts 30 mg	16	960
DB	Oxycodone 30 mg	17	2,040
JK	Alprazolam 2 mg	6	600
	Amphetamine Salts 30 mg	6	540
	Oxycodone 30 mg	4	480
	Total	63	5,460

28. These 63 fraudulent prescriptions had enough red flags of illegitimacy to be recognized as the illegal distribution of controlled substances. None of the prescription documents submitted indicated resolution of the irregularities of prescribing controlled substances.

///

///

¹ Alprazolam is available in 0.25 mg to 2 mg immediate release tablets. Amphetamine Salts are available in various strengths from 5 mg to 30 mg immediate release tablets. Oxycodone is available in 5, 10, 15, 20, and 30 mg immediate release tablets.

1 Dr. JMK

2 29. In addition, the investigation revealed that from April 30, 2018 through April 30, 2020,
3 Respondents dispensed 82 controlled substance prescriptions from prescriber Dr. JMK with
4 patterns of irregularities and red flags of abuse without ensuring the prescriptions to patients VT,
5 PF, AA, AB, SE, AE, FL, and RT were issued for a legitimate medical purpose in the usual course
6 of professional practice. The objective factors of illegitimacy, irregularity and abuse include, but
7 were not limited to the following:

8 (a) All 82 Oxycodone prescriptions for 7,160 tablets were for 30 mg, the highest
9 strength available.

10 (b) Every patient was prescribed Oxycodone 30 mg without adjustment to varying
11 patient demographic data.

12 30. These patterns are apparent deviations from the usual course of professional practice.

13 Physician Assistant JME

14 31. The investigation records further revealed that from January 31, 2019 through April
15 16, 2020, Respondents dispensed 212 controlled substances from prescriber Physician Assistant
16 JME with patterns of irregularities and red flags of abuse without ensuring the prescriptions to
17 patients JB, EM, SR, LF, NS, RF, JC, TA, PO, and IS were issued for a legitimate medical purpose
18 in the usual course of professional practice, described as follows:

19 (a) All 51 Oxycodone prescriptions were for 30 mg for 5,200 tablets, the highest
20 strength available.

21 (b) All 77 Amphetamine Salts prescriptions were for 30 mg for 6,900 tablets, the
22 highest strength available.

23 (c) All 69 Alprazolam prescriptions were for 2 mg for 6,180 tablets, the highest
24 strength available.

25 (d) High percentage of cash payments for controlled substances.

26 (e) Numerous patients prescribed Oxycodone, Amphetamine Salts, Alprazolam, and
27 or Promethazine/Codeine in a pattern of overlapping treatment, for which there
28 is a boxed warning of serious risks.

(f) Each of the 15 Promethazine/Codeine prescriptions was prescribed with Oxycodone 30 mg.

(g) Most of the 15 Promethazine/Codeine prescriptions were for 473 ml, a full pint size bottle.

(h) Multiple patients issued similar or identical controlled substances prescriptions on the same day regardless of patient demographic data.

32. These patterns are apparent deviations from the usual course of professional practice.

Initial Prescriptions Written for Strong Controlled Substances and Other Irregularities

33. Furthermore, the investigation revealed that from June 7, 2018 through March 18, 2020, Respondents dispensed controlled substance prescriptions from prescribers Dr. JMK, Dr. MB, Dr. DB, Dr. MG, and Dr. AF with the following additional patterns of irregularities and red flags of abuse:

(a) Prescriptions dispensed days and even weeks after the date prescribed.

(b) Cash payments.

(c) Patients were not tolerant to opioids.

(d) High Oxycodone doses greater than 90 MME/day.²

(e) High Alprazolam doses.

(f) High Amphetamine Salts doses.

(g) Out of area patients (between 25-50 miles away).

(h) Out of area prescribers (25 miles away).

(i) Patients JC and TA were dispensed almost identical prescriptions on the same day.

34. In addition, these eleven patients were dispensed unusually high doses at least twice the recommended safe dose of Oxycodone, Amphetamine Salts, and or Alprazolam without any documentation of effective intervention by a pharmacist. Also, ten of eleven patients were started or restarted on opioid doses above the CDC recommendation limit of 90 MME/day for opioids.

² According to the Centers for Disease Control and Prevention (CDC), higher opioid doses are associated with a higher risk of overdose and death. The concept of Morphine Milligram Equivalent (MME) has come into everyday use to facilitate dosing decisions. The CDC guidelines recommend caution when prescribing opioids at any dosage. Doses above 90 MME/day (60 mg/day of Oxycodone) should be avoided or carefully justified and titrated accordingly.

16 a grossly negligent manner, which constituted unprofessional conduct by excessively furnishing
17 357 prescriptions and 37,063 doses of controlled substances, despite multiple cues of irregularity
18 and uncertainty related to patient and prescriber factors, and in failing to comply with their
19 corresponding responsibility to ensure that controlled substances were dispensed for a legitimate
20 medical purpose. Complainant refers to, and by this reference, incorporates the allegations set forth
