### **RENEWAL APPLICATION INSTRUCTIONS**

1. Check the box "YES" if, since the last renewal, the pharmacy has had any disciplinary action taken by any government agency. For the purposes of this section, "disciplinary action" means any adverse licensure or certification action that resulted in a restriction or penalty being placed on the license or certification, including revocation, suspension, probation or public reprimand or reproof.

Check the box "NO" if, since the last renewal, the pharmacy has not been disciplined by another government agency.

A change of ownership and/or change of physical location of a pharmacy license requires a new application and must be submitted PRIOR to the change occurring. Whenever a change of ownership occurs, either a temporary license will need to be pursued or operation must stop until the entity is appropriately licensed by the board. New license numbers are issued for changes of ownership and for changes of location. The pharmacy application is available on the board's website.

Submit a Change of Permit application (17A-52), to notify the board of a change in executive officers, shareholders or when there has been a transfer of beneficial interest of 10%-49%. A Pharmacist-In-Charge (PIC) application (17A-14) must be submitted to notify the board of a change in PIC. These changes must be reported to the board within 30 days of the change, separately from this renewal application. Applications are available on the board's website.
