**Re: Notice of Proposed Rulemaking concerning
Medication-Assisted Treatment Protocol**

Pursuant to Government Code Section 11347, the California Board of Pharmacy (Board) hereby gives notice that it has decided not to proceed with the rulemaking action published in the California Regulatory Notice Register on June 20, 2025, Register 2025, No. 25-Z. The proposed rulemaking concerned Medication-Assisted Treatment Protocol (OAL Notice Z2025-0610-03).

Following the passage of AB 1503 (Berman, Chapter 196, Statutes of 2025), which went into effect January 1, 2026, establishing a Medication-Assisted Treatment Protocol in regulation is unnecessary due to the transition of pharmacy practice to a standard of care practice model.

Any interested person with questions concerning this rulemaking should contact Debbie Damoth at the Board of Pharmacy at 916-518-3090 or by e-mail at: PharmacyRulemaking@dca.ca.gov.

The Board will also post this Notice of Decision Not to Proceed on its website at https://pharmacy.ca.gov/laws_regs/withdrawn_regs.shtml.
