Good afternoon Ms. McFall,

As a registered non-resident outsourcing facility, we would like to submit the following questions for consideration at the upcoming Enforcement and Compounding Committee Meeting on January 7. We have noted the new Section 4102 in the 2026 Lawbook for Pharmacy, regarding Facility Self-Assessment, which indicates that outsourcing facilities are required to complete the self-assessment form following Section 4102(d)(7).

Does this requirement apply to non-resident outsourcing facilities? Additionally, we have been unable to locate the Outsourcing Facilities Self-Assessment form on the California Board of Pharmacy website and would appreciate any information regarding its availability.

Thank you for your time and assistance. We appreciate the opportunity to ask for clarification on this matter.

Sincerely,

Michelle Kostroun BBA, CPhT
